## Latest News

It has been lovely being able to do lots of learning based activities outside in this lovely weather and seeing the children enjoying the fresh air. It is also wonderful to see that four classes have had 100% attendance for the week. This is so important for your child's learning and makes a big difference to their achievement overall.

School holidays are fast approaching and details for the holiday club are below. The latest government guidelines do not change anything for schools so the same operating guidelines will continue until the end of term. Information for the start of the new term will be given to you closer to the time when hopefully restrictions can be relaxed. We are currently waiting for updated guidance.

## PSHE for all Year Groups

As a school, we follow a scheme called Jigsaw to deliver our PSHE curriculum.

In the Summer Term, all year groups cover the 'Relationships' and 'Changing Me' unit. The 'Relationships' unit includes friendships, family and other relationships, conflict resolution and communication skills. The 'Changing Me' unit includes sex and relationships education - in the context of coping positively with change - in an age appropriate way.

## Summer Holiday Club

The summer holiday club will be running for five weeks Mon 26th July until Friday 27th August. Please find the link below with all the details and the form to book your child's place. Payment needs to be made at the time of booking on Parent Pay.
