Latest News

Happy New Year to you all. The start to 2021 was certainly not what we were hoping for but we are extremely proud of how all of the children have adapted in school and the home learning experiences on offer. This has all ensured that there has been a continuity to learning for all pupils.

We are looking forward to the time when everyone will be back in school, enjoying interaction with their friends and teachers alike. In the meantime look out for Zoom links/invites which we are sending home weekly for each year group.

During the National Lockdown, we have introduced some new awards which are given in the Celebration Assembly on a Friday, the details for these are shown on the next page. A link will be sent home each week for the celebration assemblies.

The Newsletter will be issued monthly, instead of the usual fortnightly during the lockdown period, any important information will be shared via Marvellous Me, so please do keep checking the app on your phones.

In order to keep children and adults in school as safe as possible, we are starting twice weekly Covid-19 lateral flow tests for school staff and regular visitors to school.

Please also find the link below to the latest Raring 2 Go magazine.
