Latest News

Well done to all of our pupils who have completed their end of year assessments over the last couple of weeks, you are all superstars! Even though it's not been a usual school year your learning has been amazing!

The children have now met their new class teachers and over the next few days will start to get to know their new staff and new classrooms. The children will bring info home to share.

After receiving new Government guidelines, please note the dates for your diary sheet at the end of this newsletter **has altered events and times** for you to be aware of. Thank you for all your support and understanding whilst we have had to make changes and juggle events. They are restrictive guidelines but they do ensure we can remain safe. The safety of our pupils, families and staff has to remain paramount until these guidelines ease.
