Mud outside of school gates.	It can be very muddy on the grass areas outside the school gates.	Please use the pathway provided to ensure that the path does not become too muddy and slippery. We are currently in discussion with the Highways Agency.
Trip Visit Costs	Expense of school trips is challenging for some families.	School always try to spread out costs of trips and to give us much notice as possible. If you have difficulties paying for a trip then please contact the office. All school trips the children have enjoyed over the past 2 years have run at a loss.
Entrance to school	Entrance to school is narrow due to the building works.	The entrance area to the school playground will be tripled in area as part of the building work. It will be completed by mid-May! Fingers crossed.
